Test Administrators must read the complete Online Dynamic Screener TAM prior to using this document to ensure they are familiar with all the ELPA21 Online Dynamic Screener test administration procedures. Note that some of the directions in this translation are only applicable to specific grade levels. Please consult the Online Dynamic Screener TAM and identify the directions you will need to read aloud prior to administering the Online Dynamic Screener test.

A recorded audio script of this translation will also be available. The tracks on the recorded script are listed in the first column of the table below.
